

Reunion Newsletter "X"

Volume 1 Number 1 April 2003

Welcome.

Hi Everyone!
Well, the long awaited "official" Reunion Newsletter is here! We just need a really great "80's" title for it and it will be complete. If you have any ideas, please let us know!

As most of you know, or have heard, I somehow "volunteered" (that's still a hazy, crazy memory. And I don't even drink!!!) to co-ordinate this reunion, and Pete is our illustrious Web Master.

The reunion is open to old scholars from 1980 to 1984. Basically this means if you were in Year 8 in 1980, Year 9 in 81, Year 10 in 82, Year 11 in 83 and/or Year 12 in 1984 you are welcome!

The Date & Hall is Booked!

Yes, that's right, back at the old stomping ground of Unley High School, where it all began...and ended. The George Creswell Hall (you remember: assemblies, speech day, EXAMS! were all held there) has been booked for:

Saturday 18th December 2004.

Times and other details are yet to be organised/confirmed.

We know this is really close to Christmas, but it means our "out-of-staters" and international classmates will be able to come to the reunion AND celebrate Christmas with family and friends.

Reunion Website.

www.users.bigpond.com/beag.sage/uhs/ is the "official" reunion website, it's up and running and very up-to-date. Pete has been very busy uploading class lists; class and yearbook photos (with a big Thank you to Nick Robinson).

You can register your details on this site (all your contact details remain confidential) and check out the latest reunion news.

"Old Classmates"

Speaking of them (well, aren't we **all** on the better side of 35 now??), we have located about 75% or more (or have good leads on where to find them) in a relatively short space of time. But we still need your help!

On our website, the class lists have some names that are in "**bold**" (go to the "[Images](#)" page) – these are people we have not been able to locate as yet.

Do you know some of these people? Or maybe you remember where they lived or know someone who does. Your tip can remain anonymous if you wish.

Photos.

Do you have any of your school photos hiding away in the back of your desk drawer? If not, I bet your mum has them! Pete would love to be able to post more pics on our website (and please include the class lists!!)

But wait...there's more!

Help!

No successful reunion can happen without some serious help. As Pete and I want to be able to relax and enjoy the night as much as you do, we are looking for the following services (we need to book in advance)

- ☺ *Sponsors*
- ☺ *Caterers*
- ☺ *DJ or Band*
- ☺ *Cleaners*

Sponsors will keep our costs down and give them valuable advertising; Caterers – for obvious reasons; DJ – to play all our favourite 80's hits and memories; Cleaners – neither of us want to still be there at 3am cleaning up!!

If you are in a field that can help or know someone who is, you can contact us on our email: uhs1984reunion@bigpond.com, Phone on 0408 849 789 (Belinda) or send details to: *UHS 1984 Reunion*
